

NAME: **EVIE J-P**

When  
in primary  
I used  
to get  
made  
fun  
of for  
reasons  
I didn't  
know

Ha

Ha

Ha

I use to go  
home crying, not  
being able to sleep  
At night. No matter  
what I did I  
wasn't good  
enough.

But one day  
I met my  
Best friend  
And something  
changed.

I felt more and more  
confident in my  
self

As I went on I figured  
my self out a bit  
more. And ignored the  
horrible

Insults

~~hahaha~~

I also started  
getting extra  
help

why

Now I'm happy in my  
self!
